SUPPLEMENT TO  
REPORT NO.

**Retain or Destroy**

It is reported that Bolivian mine labor leaders Juan Lechin, Mario Torres, and Guillermo Lora have entered the Catavi mine area clandestinely. The government previously refused them permission to enter the area\*. Florentino Quiroz, who has been active with Lechin, Torres, and Lora in formulating a united labor front composed of Movimiento Nacionalista and Partido Izquierda Revolucionario members,\*\* remained in La Paz where he is concentrating his activity on the factory workers of the city.
